If you're new to cross stitch or simply drawn to the nostalgic charm of this collection, getting started is easier than you might think. The beauty of cross stitch lies in its accessibility, and the All Our Yesterdays collection provides everything you need to embark on your stitching journey.

What You'll Need: Essential Cross Stitch Supplies

To begin stitching any design from the All Our Yesterdays collection, you'll typically need:

1. **Cross Stitch Pattern:** This is the blueprint for your design, showing you the stitches, colors, and placement.
2. **Aida Fabric:** This is the most common fabric for cross stitch, featuring a grid of holes that makes it easy to count stitches. The size (count) of the Aida fabric will determine the size of your finished piece.
3. **Embroidery Floss:** These are the colorful threads you'll use to create your stitches. The patterns will specify the DMC or other brand thread numbers and quantities needed.
4. **Cross Stitch Needles:** These are blunt-tipped needles designed to pass through the Aida fabric without splitting the threads.
5. **Embroidery Hoop or Frame:** This helps to keep your fabric taut while you're stitching, ensuring even stitches.
6. **Scissors:** Small, sharp scissors are essential for trimming your threads.
7. **Optional: Thread Organizer/Bobbin Winder:** To keep your floss tidy and easily accessible.

Many retailers offer "kits" that include the pattern, fabric, and floss for a specific design, which can be a great way to start if you prefer everything bundled together. You can also purchase these items separately to

customize your choices.

Choosing Your First All Our Yesterdays Project

With so many captivating designs, choosing your first project can be the most exciting part! Consider these tips:

1. **Start Simple:** If you're a beginner, opt for a smaller design with fewer colors and simpler motifs. This will help you build confidence and master the basic stitches.
2. **What Resonates With You?:** Pick a theme that genuinely excites you. Your passion for the subject matter will fuel your motivation to complete the project.
3. **Consider the Placement:** Where do you envision this finished piece hanging? A small design might be perfect for a shelf, while a larger one could be a statement piece for your wall.
4. **Explore Different Artists/Designers:** Within the broader "All Our Yesterdays" theme, different designers may have their own unique styles. Browse through various options to find one that appeals to your aesthetic.

Tips for a Smooth Stitching Experience

As you embark on your stitching adventure, keep these tips in mind for a more enjoyable and successful experience:

2. **Keep Your Stitches Consistent:** Aim for even tension and ensure that all your cross stitches are facing the same direction for a neat, professional finish.
3. **Work in Sections:** Many stitchers find it helpful to complete small areas of the design at a time, rather than stitching all of one color across the entire piece.
4. **Take Breaks:** Cross stitching is a relaxing hobby, but it's important to avoid eye strain and hand fatigue. Step away from your project periodically.
